

Olivier Binette

olivier.binette@duke.edu / [linkedin.com/in/olivier-binette](https://www.linkedin.com/in/olivier-binette) / olivierbinette.github.io

Summary

- 5 years of post-graduate experience in statistics research and data science.
- Strong research background with publications in top journals and several awards.
- Advanced proficiency with the modern datascience toolstack using Python, R, C/C++, git, bash, Linux.

Education

Duke University <i>PhD Candidate, Statistical Science Department (3.9 GPA)</i>	2019 – present <i>Durham, NC</i>
Université du Québec à Montréal <i>BSc, Mathematics; MSc, Statistics (3.97 & 4.0 GPA)</i>	2014 – 2017 <i>Montréal, QC</i>

Data Science and Applied Research Experience

Data Scientist Intern <i>Intact Financial Corporation</i>	January 2022 – present
<ul style="list-style-type: none">• Python package development with the data science tooling team.	
Research Coordinator (part time) <i>Duke Community Food Pantry</i>	May 2021 – present
<ul style="list-style-type: none">• Developed research protocol (adopted by Duke University) to monitor food insecurity on campus.• Record linkage, survey design, and data analysis for program assessment.	
Project Assistant (part time) <i>Wilson Center for Law and Justice at Duke Law</i>	June 2021 – August 2021
<ul style="list-style-type: none">• Wrote R bindings to C libraries for forensic fingerprint matching (https://github.com/forensic-science/fingermatchR).	
Data Science Project Manager (part time) <i>Information Initiative at Duke</i>	June 2021 – August 2021
<ul style="list-style-type: none">• Lead a team of students building a data visualization dashboard for the UC Davis Perinatal Origins of Disparities Center.	
Data Science Project Manager (part time) <i>Duke Applied Machine Learning Group</i>	January 2021 – May 2021
<ul style="list-style-type: none">• Lead a team of students working on optical character recognition and article segmentation for historical newspaper archives.	
Data Science Project Manager (part time) <i>Information Initiative at Duke</i>	June 2020 – August 2020
<ul style="list-style-type: none">• Lead a team of students analyzing time series data and geospatial data for the Duke River Center.	

Scientific Research Experience

Research Assistant <i>Duke University, Statistical Science Department</i>	2019 – 2021
<ul style="list-style-type: none">• Binette, O. and Steorts, R. C. (2021) On the Reliability of Multiple Systems Estimation for the Quantification of Modern Slavery. <i>Journal of the Royal Statistical Society Series A</i> (to appear; American Statistical Association best paper award)• Binette, O. and Steorts, R. C. (2021) Modern Bayesian Entity Resolution. <i>Wiley StatsRef</i> (to appear)• Binette, O. and Steorts, R. C. (2021) (Almost) All of Entity Resolution. <i>Science Advances</i> (to appear)	
Research Assistant <i>Université du Québec à Montréal</i>	2017 – 2019
<ul style="list-style-type: none">• Binette, O. and Guillotte, S. (2021). Bayesian Nonparametrics for Directional Statistics. <i>Journal of Statistical Planning and Inference</i> 216 pp. 118-134• Binette, O. and Pati, D. and Dunson, D. B. (2020) Bayesian Closed Surface Fitting Through Tensor Products. <i>Journal of Machine Learning Research</i> 21 (119) pp. 1-26• Binette, O. (2019). A Note on Reverse Pinsker Inequalities. <i>IEEE Transactions on Information Theory</i> 65 (7). pp.4094-4096	

Leadership, Teaching, and Mentoring Experience

Webmaster (part time) <i>ASA Record Linkage Interest Group</i>	November 2021 – present
<ul style="list-style-type: none">• Website and blog development for the organization (recordlinkageig.github.io).	

- Open source developer (part time)** | *Olivier Binette Consulting* **2022 - present**
- Open-source Python and R package development on Github (funded through Github Sponsors).
- Mentor** | *Twoples* **2020 – 2021**
- Mentor college students in semester-long research projects
- Instructional Teaching Assistant** | *Duke University* **2020 – 2021**
- Lead weekly labs for *Bayesian and Modern Statistics*, *Entity Resolution*, and *Introduction to Data Science*.
- Instructional Teaching Assistant** | *Université du Québec à Montréal* **2020 – 2021**
- Lead weekly labs for *Statistics I*, *Analysis I*, *Probability II*, *Complex Analysis*, *Analysis and algebra for the actuarial sciences*, *Analysis II*.

Awards

- American Statistical Association Best Paper Award (Section on Survey Methods)
- Canada Governor General's Academic Gold Medal
- Stanford University fully-funded PhD admission offer (2019)
- Faculty of Arts and Science Top doctoral award (University of Toronto, 2019)
- Alexander-Graham-Bell Canada Graduate Scholarship (2019; 105 000 \$)
- Fonds de Recherche du Québec - Nature et Technologies Doctoral Award (2019; 84 000 \$)
- Natural Sciences and Engineering Research Council of Canada Masters Award (2017; 21 000 \$)
- Fonds de Recherche du Québec - Nature et Technologies Masters Award (2017; 21 000 \$)

Programming and Software Development Skills

Programming: R, Python, C/C++, git, bash, Linux, slurm

R packages on Github: dgaFast, MSETools, assert, cache, fingermatchR, TessTools

Python packages on Github: StringCompare, GroupByRule
